Dear Friends,

Together, we accomplished a lot this past year. As you’ll see in our report, we gave a helping hand to over 4,000 of our neighbors in need and continued to provide the quality safety net services EFAA has long been known for. EFAA also expanded our intensive family strengthening programs to build longer-term family resilience.

Reflecting on the year behind us, one of our key achievements was to build avenues for EFAA participants to have greater input to EFAA. In May 2018, the Board of Directors formed a Participant Advisory Council (PAC) to guide EFAA’s strategic vision to empower program participants as the drivers of their own successes. The PAC supports leadership development of its members and provides an opportunity for direct feedback on EFAA programs and policies. EFAA participants, as the true experts through their lived experience, now have a literal seat at the table through a PAC representative on EFAA’s Board of Directors.

Along these same lines, EFAA redesigned our food pantry and moved to a “self-shopping” model this year. These subtle changes make the food pantry more like a grocery store, which gives our participants greater autonomy in their shopping experience. In addition, we are sourcing more fruits and vegetables as part of our new unlimited produce policy. This reflects our ongoing commitment to not only reduce food insecurity but improve access to healthy and nutritious foods.

Our work wouldn’t be possible without the enduring support of our community. This year also saw the successful campaign to build a safety net for the safety net through the creation of EFAA’s Centennial Endowment, with over 80 generous donors building the basis for the next century of EFAA.

With the help of thousands of generous volunteers and donors like you, we can make Boulder County a place where everyone has the opportunity to thrive.

Thank you for your steadfast support.

Sincerely,

Julie Van Domelen
Executive Director

Mark Biggers
FY19 Board President
EFAA helped 4,354 people in Boulder County by providing:

- 1,000 school-aged children in Boulder County experienced homelessness last year while more than 7,000 children live below the poverty line.
- 35,000 of our neighbors lacked consistent access to healthy foods.
- $13,695 in order to make ends meet, a family of three in Boulder County would need to make $78,926.

Our Impact in 2019:

- $994,357 in financial assistance to prevent evictions, keep the lights and heat on and ensure access to medical and dental services.
- Provided housing for 138 families with children experiencing homelessness. This includes 276 children who would otherwise have become homeless.
- 541 families participated in intensive family strengthening programs targeting housing stability, employment, and poverty reduction.
- 289 individuals engaged in community enrichment programs, activities and classes to build knowledge, skills and connections.

Improved food security by distributing 767,874 pounds of food with the average household receiving 500 pounds or about $800 in value over the year.

Made possible by the generosity of 720 volunteers who gave over 23,000 hours of their time and 3,986 donors.

THANK YOU FOR YOUR SUPPORT.

We extend special thanks to the many individuals, corporations, congregations, foundations and community groups that supported EFAA this year through generous financial and in-kind assistance from July 1, 2018 through June 30, 2019.

In addition to all that are listed here, we received support from nearly 3,000 individuals and organizations of less than $500. In order to compile this list, we diligently searched our records for gifts received during this time period to provide correct and heartfelt recognition. If your name is not listed, or if there is an error of some kind, we sincerely apologize. We are truly grateful for your support.
