# Dear Friends,

**Together, we accomplished a lot this past year.** As you'll see in our report, we gave a helping hand to over 4,000 of our neighbors in need and continued to provide the quality safety net services EFAA has long been known for. EFAA also expanded our intensive family strengthening programs to build longer-term family resilience.

Reflecting on the year behind us, one of our key achievements was to build avenues for EFAA participants to have greater input to EFAA. In May 2018, the **Board of Directors formed a Participant Advisory Council (PAC) to guide EFAA's strategic vision to empower program participants as the drivers of their own successes.** The PAC supports leadership development of its members and provides an opportunity for direct feedback on EFAA programs and policies. EFAA participants, as the true experts through their lived experience, now have a literal seat at the table through a PAC representative on EFAA's Board of Directors.

Along these same lines, EFAA **redesigned our food pantry and moved to a "self-shopping" model** this year. These subtle changes make the food pantry more like a grocery store, which gives our participants greater autonomy in their shopping experience. In addition, we are sourcing more fruits and vegetables as part of our new unlimited produce policy. This reflects our ongoing commitment to not only reduce food insecurity but improve access to healthy and nutritious foods.

Our work wouldn't be possible without the enduring support of our community. This year also saw the successful campaign to **build a safety net for the safety net** through the creation of EFAA's Centennial Endowment, with over 80 generous donors building the basis for the next century of EFAA.

With the help of thousands of generous volunteers and donors like you, we can make Boulder County a place where everyone has the opportunity to thrive.

**Thank you for your steadfast support.**

Sincerely,

*Julie Van Domelen*  
Executive Director

*Mark Biggers*  
FY19 Board President
