HELPING NEIGHBORS IN NEED

## YOUR DONATION MAKES AN IMPACT

**Your support makes a big difference for our neighbors impacted by Covid-19.** Covid-19 has deeply affected those in our community who were already the most vulnerable to economic shocks: low-wage workers, families with children, and people of color, to name a few. As the community safety net, EFAA has been able to provide support to our neighbors who need it the most and is the leading provider of Covid-19 emergency relief funds in Boulder County.

*Thanks to your support,*

### EFAA HAS BEEN ABLE TO ...

- **More than DOUBLE the amount of financial assistance available per household.** EFAA has also modified eligibility requirements so that if families are still unable to meet their needs after receiving assistance, they can receive additional support.
- **Increase investments in our food bank safety** by upgrading food bank staffing, increasing sanitation and cleaning services, and ramping up food purchases to meet the community need safely, resulting in roughly \$7,500 in additional expenses per week.

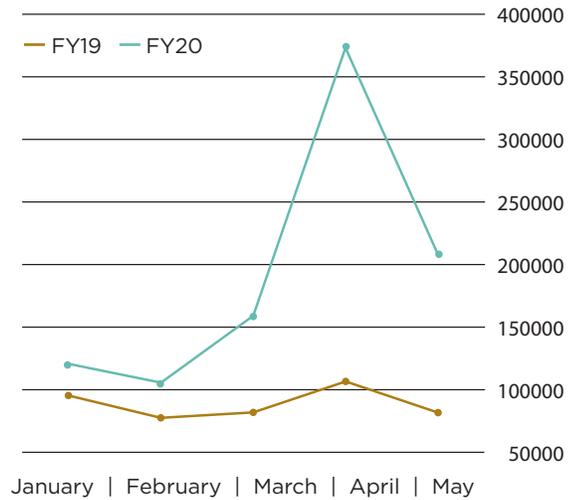

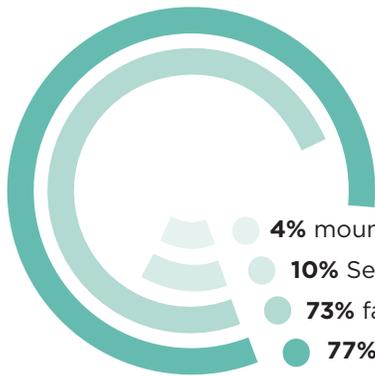

*Because of your support,* .....

WE ARE ABLE TO EXTEND OUR EMERGENCY RELIEF FROM JUNE THROUGH SEPTEMBER.

# YOUR IMPACT BY THE NUMBERS

## 118% INCREASE IN FINANCIAL AID

EFAA distributed roughly \$964,120 in direct financial assistance from January through the end of May this year, a 118% increase from this time last year. **Because of your support, EFAA is able to provide these funds directly to those who need them the most.**

## WHO WE'RE HELPING

**About one in five households seeking economic relief due to Covid-19 is new to EFAA.** The majority of financial assistance for rent is going to Latinx families with children, many who are ineligible for other benefits. Funds are also used to help seniors, individuals, and our neighbors in Boulder County's mountain communities.

## 45% INCREASE IN APPOINTMENTS

By reallocating more staff time for case management, **EFAA has been able to expand the number of appointments available, serving about 90 households per week on average.** Case managers help to not only distribute financial assistance, but also work with participants to navigate other resources such as unemployment, SNAP, Medicaid, and more.

## OVER 16,000 FOOD BAGS DISTRIBUTED

**Through June, EFAA has distributed 16,013 grab-and-go food bags through our food bank, the equivalent of 176,815 meals!** Your support allows EFAA to safely provide food to our neighbors facing crisis.

AT EFAA, WE BELIEVE OUR COMMUNITY IS RESILIENT, AND THAT WE CAN GET THROUGH THIS — **TOGETHER.**  
**THANK YOU** FOR YOUR INCREASED SUPPORT AT THIS CRUCIAL MOMENT.
