ANNUAL REPORT 2020

1575 Yarmouth Ave,

info@efaa.org

Dear Friends,

What a year we have all been through.

When we have shared stories of EFAA's founding during the Spanish Flu, the idea that a virus could cause such a disruption of everyday life — closing schools, prohibiting all public gatherings — was a distant memory, an EFAA foundation story. Yet now more than a century later, we find ourselves navigating this new reality every day.

What carried us through back then is what sustains us now: neighbors dedicated to helping one another through times of need. Last July, when EFAA's food bank was flooded by a fire sprinkler systems leak, our neighbors at Boulder Meadows and Boulder County Housing and Human Services graciously allowed us to set up temporary food pantries to keep our community fed. When we learned we wouldn't receive our usual corporate donation of toys in time for the holidays, this community rallied to donate more than 10,000 toys to our gift room. When the coronavirus caused an unprecedented need for emergency food and financial relief in our community, you all stepped up to give your neighbors a helping hand, allowing EFAA to scale up operations quickly.

Your support is a testament to the enduring power of goodwill and generosity. We know that because of people like you, EFAA will continue to play our safety net role of supporting the most vulnerable through this crisis... just as we did more than 100 years ago.

Thank you for making an impact!

CINTHIA'S STORY

The economic devastation caused by the coronavirus has not fallen equally on everyone in our community. The majority of families like Cinthia's, who stayed in EFAA's housing, experienced job loss related to COVID-19.

"As soon as the beginning of the pandemic started I began to feel its pressure. Hours getting shortened, having to organize when and what we could pay. Reality really began to set in when I had to go from being a working mom to a full-time stay-at-home mom and a teacher. Our daughter is high-risk due to her asthma and other underlying health conditions, so being cautious was the best thing for all of us."

My husband went from making 20 plus dollars an hour plus overtime to only being able to bring home a \$300 check. We found a lot of people and resources to help us. We had to make drastic decisions on how much we were going to spend on everything. Food Banks have become my best friend.

A lot has happened during this pandemic but more than anything it has shown me the strength we have as a community can get us through anything. Though this may be a trying time I'm glad that we are part of EFAA's program."

Cinthia, EFAA Housing Resident

Our Impact in
2020

— EFAA helped —
5,790 PEOPLE
in Boulder County
by providing:

\$1,855,092

IN FINANCIAL ASSISTANCE

for rent, utilities, and minor medical costs.

\$1,271,374

WORTH OF FOOD

helped feed

1,730

families.

19,334 grab-and-go food bags provided stability during the pandemic.

Provided housing for

112 FAMILIES

with children experiencing homelessness

This includes

223 CHILDREN

who would otherwise have become homeless

70% OF FAMILIES

in EFAA's housing had their income significantly impacted by COVID-19

528 FAMILIES

participated in intensive family strengthening, community enrichment programs, activities and classes to build knowledge, skills and connections

26 PEOPLE

graduated from our Getting Ahead program, a 16-week course that helps people in poverty build resources, skills, and connections.

Made possible by the generosity of

559

VOLUNTEERS
who gave over 16,109 hours of their time!

5,068

DONORS
1,479 who gave for the first time!

WHY IT MATTERS...

We surveyed our participants to learn how they were impacted by the COVID-19 pandemic. This is what we found.

Reported that the pandemic made it more difficult to access food

Lost their jobs due to COVID-19, and more saw their hours cut

Struggled to provide childcare after schools and daycares closed

Had never needed help from EFAA before

Those already working low-wage retail, service industry, and contract jobs were hit hardest by the pandemic. Now more than ever we see how critical the role of the community safety net is in providing for community well-being.

THANK YOU FOR YOUR SUPPORT.

We extend special thanks to the many individuals, corporations, congregations, foundations and community groups that supported EFAA this year through generous financial and in-kind assistance from July 1, 2019 through June 30, 2020.

In addition to all that are listed here, we received support from more than 3,700 individuals and organizations who

donated less than \$500. In order to compile this list, we diligently searched our records for gifts received during this time period to provide correct and heartfelt recognition. If your name is not listed, or if there is an error of some kind, we sincerely apologize.

We are truly grateful for all of your support.
