HELPING NEIGHBORS IN NEED

YOUR DONATION MAKES AN IMPACT

It's been just over one year since EFAA began its COVID-19 response, which has helped more than 5,000 of our neighbors access the emergency food and financial assistance they needed to survive this crisis. We know there's plenty of work ahead, but we wanted to take this moment to reflect on all that your support has made possible in the past year.

A Year in Review

March 2020 - March 2021

MARCH '20

EFAA establishes **COVID-19 Coordination Team** and issues first preparation and response plan. Food bank shifts to grab-and-go prepackaged food bag model and all case management appointments are switched to phone.

APRIL '20

Our housing program begins **delivering food and sanitation supplies to quarantined families.**

MAY '20

The children's program starts coordinating with local school districts and libraries to support remote learning at EFAA housing.

JUNE '20

Our food bank begins a **food delivery model** to get food into the hands of elderly and at-risk individuals.

JULY '20

Along with the City of Boulder, **EFAA co-sponsors the creation of the Boulder Housing Support Group** as an eviction prevention early warning system among government and nonprofit agencies, the courts, and private landlords to prevent people from losing their housing.

AUGUST '20

More than **\$1 million in direct financial assistance** is distributed through EFAA's COVID-19 response efforts.

SEPTEMBER '20

Food bank shifts to a food order model to increase participant choice while maintaining high levels of safety.

OCTOBER '20

NOVEMBER '20

EFAA increases assistance limits to help clear rental arrears for those impacted by COVID-19.

DECEMBER '20

EFAA's holiday gift room helps **430 families**, a 40% increase from the year prior.

EFAA WELCOMES BACK FOOD BANK VOLUNTEERS!

JANUARY '21

OVER \$2 MILLION in **direct financial assistance** over the past 10 months.

FEBRUARY '21

In less than a year, our food bank distributes over **810,000 lbs of food** to community members facing food insecurity.

MARCH '21

EFAA **partners with local leaders and partner agencies** to advocate for equitable vaccine distribution to low-income and rural communities.

YOU MADE THIS POSSIBLE!

As EFAA begins shifting our focus beyond relief and on to recovery, you have a chance to make a greater impact.

THANK YOU FOR BEING A CATALYST FOR RECOVERY FOR YOUR NEIGHBORS IN NEED.
