

WHAT OUR PARTICIPANTS SAY...

"If it weren't for your help, I would have lost my home. I don't have relatives with spare bedrooms. I don't have a backup plan. I would have been homeless."

"You never know who you're helping. It could be someone who looks like you; just a regular person - someone you pass in the street. Before I experienced the fear of not having enough money to pay for rent and food, I had no idea that 'someone in need' could be me. But I needed help desperately and EFAA was there for me. Now my son and I are doing great."

EFAA is building a community where all of our neighbors can meet their basic needs and springboard themselves and their children out of poverty. For over 100 years, EFAA has served as Boulder County's safety net, working in collaboration with volunteers, donors, partners, and participants. We ensure our community has access to food, housing, and other resources to move toward financial stability and resilience. **WHEN FAMILIES THRIVE, OUR COMMUNITY IS STRONGER.**
