# BOULDER COUNTY COMMUNITY WELLBEING DASHBOARD 2023

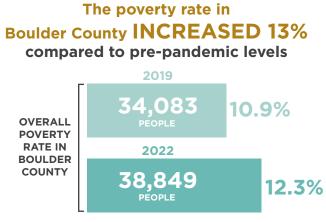

Compiled by Emergency Family Assistance Association (FFAA)

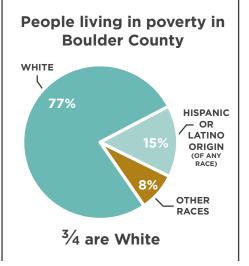

#### ARE WE MOVING TOWARDS A COMMUNITY IN WHICH EVERYONE CAN THRIVE?

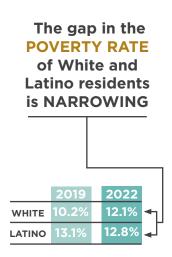

**POVERTY** 

Poverty is growing in Boulder County compared to pre-pandemic levels

### **EMPLOYMENT & WAGES**

1/4 of households in Boulder County don't earn enough to make ends meet without public or private support

A family of 2 adults, 1 preschooler, and 1 school-aged child living in Boulder County would need

## 4 FULL TIME MINIMUM WAGE JOBS

to meet their needs, TWICE compared to pre-COVID

Because of the higher minimum wage and the lower cost of living, that same family in Denver would need to work

## LESS THAN 3 FULL TIME MINIMUM WAGE JOBS

to make ends meet

2018

2022

EFAA is building a community where all of our neighbors can meet their basic needs and strengthen their financial stability to springboard themselves and their children out of poverty. For over 100 years, EFAA has served as Boulder County's safety net, working in collaboration with volunteers, donors, partners, and participants. We help our community have access to food, housing, and other resources to move toward financial stability and resilience. When families thrive, our community is stronger.
